### ADULT SUNDAY SCHOOL

#### Faith and Community Class

Join us on Sunday to learn about charitable estate planning techniques for leaving a legacy of faith for future generations. We will discuss several ways in which an individual or family may choose to structure their estate plans, including ways to support their church or other favored charities. Our wills are the last gifts we make. Through careful planning, this last gift made can truly reflect the values and wishes of the donor. All are welcome at 9:45 in Watts-Hill Hall.

#### Lectionary Class

Lent is a time for self-examination, but before we can begin that process, we need to re-affirm that it is God whom we worship and serve. Jesus deflected the devil's temptations by putting the focus on God. "Everyone who calls on the name of the Lord shall be saved." Join us for discussion at 9:45 in the East Parlor.

#### Journeys Class

Journeys will discuss three different articles on the Wisdom literature of the Old Testament. The articles are by Jack Miles, Marcus Borg and Arnold Rhodes. All are welcome at 9:45 on the second floor of the CE building.

#### Spiritual Formation

**Susan Dunlap** leads this class for women on spiritual formation. We meet at 9:45 in the basement classroom.

#### Scratch/Young Adults

**Topic:** Evangelizing and Faith in public! Listen to this podcast from The Gravy about some church coffee shops in Knoxville, TN: <http://www.southernfoodways.org/gravy/separation-of-church-and-coffee-gravy-ep-2/> Are these coffee shops like any other? Are they vehicles for sharing the gospel? Join us at 9:45 in our basement classroom.

#### Family Matters Class

Parents of elementary age and younger children share the road of parenting and dabble in Scripture. We meet at 9:45 in the CE building, room 203.

## WEDNESDAY, FEBRUARY 10

### 12:00 Noon - Holy Dusting

Join us for a roll call of the saints in the Memorial Garden and a 30 minute service of prayer, music and imposition of ashes to mark the beginning of Lent.

At this same meeting, four at-large representatives will be elected from the membership to serve on the Nominating Committee for the Class of 2019 Officers.

### CHILDREN'S SUNDAY SCHOOL

Thank you, friends, for making valentines for the children at Duke Hospital. Chris Brown will be delivering those this week. We have been asked to bring 100 pairs of underwear or coats for our Centennial offering. Do you think you can do it? The collection bin is upstairs in the Sunday School department.

Our **third-fifth graders** will be making maps again on Sunday. Come prepared to get your hands a little dirty.

## FROM THE ASSOCIATE PASTOR

### First Sunday of Lent Valentine's Day

If you are like me, you are probably feeling caught by surprise that Lent is here ALREADY! It seems like we just finished Christmas! But that's what happens when Easter, as the cornerstone of the church year, is a variable date and falls early. This year, Easter Sunday will be on March 27th.

So, on this first Sunday of Lent I ask you to go into the desert and ask yourself what connection does the dying and rising of Jesus Christ have with our daily lives? I encourage you to spend these 40 days focused on responding to this question which captures the essence of this time of fasting, prayer and penance. For most of us and most of the time, the "dying and rising" we encounter is clothed in very ordinary garb. We miss so much that is deeply significant if we look for the mystery of Christ in us only in the spectacular or extraordinary events of life. Rather, it is in the everyday, the mundane and ordinary, that most of us discover the presence of Jesus, dying and rising in us over and over again. May this Lenten season be for you a time of wonderful discovery of that mystery at work in your life.

Happy Valentine's Day!

*Sam*
