PARKING LOT SAFETY

As part of FPC's ongoing plans to improve security and safety on our entire campus, we have developed a plan to improve safety and traffic flow in the parking lot. Unfortunately, there have been some frightening near misses in and around our parking lot lately. The following plan will help address many issues.

- People traveling in two directions in front of the Day School pose a real hazard for parents and their children during pick up and drop off times.
- Drivers trying to exit onto Roxboro Street while others are trying to enter create very dangerous traffic back-ups along that street, resulting in frustrated drivers pulling out and around the stopped cars at high speed.
- Drivers crossing Roxboro Street onto Parrish Street as they leave our property are actually going the wrong way on a one-way road and can be ticketed for it. This has caused some near misses and the Sheriff's Department has spoken to us about this situation on more than one occasion.

To address these problems, we will soon change to a one-way traffic pattern in our lot, as well as add signage and a crosswalk in front of the Day School. The **only entrance** to our lot will be from Liberty Street. The **only exit** will be onto Roxboro Street. Drivers coming north on Roxboro are asked to pass the lot, turn right onto Liberty, and use that entrance.

Our parking lot will be sealed and re-stripped soon. We will have arrows painted on the lot to help with traffic flow and a crosswalk painted in front of the Day School. We will put up Enter Only, Exit Only, and Right Turn Only signs where appropriate. Our handicapped spaces will be obvious and well-marked. We anticipate and appreciate your full cooperation with these new traffic patterns. Thank you, Property Committee

FROM THE PASTOR

Dear friends,

This morning, I enjoyed walking in the much cooler weather. The summer heat and humidity have been so oppressive and so I have enjoyed this little break from it. I am, of course, aware that the heat is coming back later this week. Summer isn't over yet! At the same time, the rhythms of summer have already started to change for many. College students have returned to campus and our children and youth have either started school already or will start next week. Gone are the lazy days (if they had even come!). Now we enter a new rhythm of life, school, and scheduling. Around the church, we start a new rhythm as well, with new Sunday School classes, youth activities, and choir practices all beginning anew after a summer break. I hope you will be able to join us for Promotion Sunday this Sunday (9:45 in Watts-Hill Hall) as we kickoff this new season and prepare for a time of growth in faith, fellowship, and friendship. I look forward to seeing you there! In the meantime, let us give thanks for a few days of cooler weather!

Mindy
