## 2018 STEWARDSHIP OF TIME / TALENT SURVEY

At First Presbyterian Church, we recognize that we have been blessed as individuals and as a church body in incredible ways. We have the opportunity week after week to be fed spiritual food through our communal worship, through beautiful music, and through in-depth teaching. We encourage everyone to select at least two activities from the list below as a means of reaching out and serving others. With all of us using our gifts, sharing our time and energy, we can truly make a lasting impact on our corner of the world.
