## FROM THE PASTOR

Dear friends,

What a wonderful day we had together yesterday! It started with Pokemon Go photo-ops, bagels, doughnut holes, a scavenger hunt and a ton of excited and energetic kids of all ages! We were able to recognize and thank our new Sunday School teachers, weekday Bible teachers and youth advisors during the Sunday School hour and in a powerful litany in worship. Also in worship, we had the opportunity to be a part of the service of ordination and installation for our incoming classes of deacons and ruling elders. How wonderful it is to witness the way God calls men, women and youth to these roles of leadership in the church. These new officers have been trained in theology, worship, polity and the sacraments and are humbly ready to begin this work that God has called them to do for First Presbyterian Church.

This is the time of new beginnings for many – a new year in school, a new school, a new job, a new opportunity, a new challenge. Even if you aren't changing anything significant in your life, the start of the fall season gives us all a chance to challenge ourselves to learn and grow in new and meaningful ways.

I challenge you this season to take advantage of the newness all around you and find a way to open yourself to something new in your life – a new class, a new study group, a new spiritual discipline, a new attitude toward life, a new habit of study and prayer, a new gratitude for all that God has done for you, a new grasp of God's grace in your life each day. Write down your hopes for growth and renewal. Find a partner to start something new with you. Be in prayer about what God might be calling you to do and be in this new season of your life.

In all of this newness remember that you are loved and that you are called in your baptism to grow in grace and service to God, our Creator, Redeemer and Sustainer. May God be with us all.

Grace and peace,

*Mindy*

## SAFETY AT FPC

We are a downtown church committed to providing hospitality to the stranger. While we are not experiencing safety issues at this time, our location and mission come with certain safety concerns. Here are two safety tips:

- When you exit the church facilities in the evening after a meeting or choir practice, please go into the parking lot along with others and not alone.
- Even though your heart may tell you to give money to those who approach you in the parking lot for assistance, please refrain. It would be helpful to suggest to the person that they may wish to come by the church and/or stop by Urban Ministries in the morning for help. The church provides help to those needing it on a daily basis and also partners with Urban Ministries to enhance our efforts to serve our neighbors.

– **FPC Ad Hoc Safety Committee**

## PARKING LOT CHANGES

We will soon change to a one-way traffic pattern in and out of the church's parking lot. **The only entrance to our lot will be from Liberty Street. The only exit will be onto Roxboro Street.** Drivers coming north on Roxboro are asked to pass the lot, turn right onto Liberty, and use that entrance. The lot will be sealed and re-stripped, a crosswalk and arrows will be painted on the lot to help with traffic flow, and handicapped spaces will be obvious and well-marked.

– **FPC Property Committee**

## HABITAT FOR HUMANITY TRIP TO HONDURAS

**Margaret and Miguel Rubiera** will be leading another trip to Honduras with Habitat for Humanity in early 2017, and there are a few spots left on the team. If you have been considering participating in one of these trips and your heart yearns not only to serve others, but also to learn from them, then come join us! **Dates: February 10 – 19, 2017.** All-inclusive cost: \$1,800. As you work to change lives, you may find that it is your life being most strongly impacted. For more info, contact Margaret Rubiera at [margaretmr29@gmail.com](mailto:margaretmr29@gmail.com).
