

# FIRST PRESBYTERIAN CHURCH OF DURHAM

*"Downtown by history and by choice"*

## Newsletter

June 27 - July 10, 2017

### From the Pastor . . .

Dear friends,

In our summer newsletters, we examine six areas of Christian living: corporate worship, personal devotion, service to the world, stewardship of gifts, fellowship with others, and biblical and theological study. In the last newsletter, we looked at corporate worship. This week, we look at personal devotion.

In addition to corporate worship, God calls us to a discipline of daily prayer and devotion. Such prayer and devotion can take many forms. Some people pray in silent meditation, perhaps in a quiet place at a certain time of the day. Others pray out loud or repeat a phrase such as “Lord have mercy, Christ have mercy, Lord have mercy,” or “Jesus Christ, Son of God, grant me your peace.” Some meditate on recorded music, while others sing and make music with their voice or another instrument. Some use guided devotional books such as *These Days*, while others follow the daily lectionary scripture readings. Some pray as they walk, run, or do yoga. Others pray while painting, sculpting, throwing a pot, or doing another form of visual art. There are many ways to come to God in personal prayer and devotion. The important thing isn’t how we come to God each day, but *that* we come to God each day. For more ideas to guide your personal prayer and devotion, use this link from the PC(USA) website: <https://www.presbyterianmission.org/devotions/>

In my own personal devotion, I often turn to writers and poets who draw me into a deeper reflection with God. One of my favorite writers is Howard Thurman and I close with a powerful prayer from him:

*Lord, open unto me.*

*Open unto me — light for my darkness.*

*Open unto me — courage for my fear.*

*Open unto me — hope for my despair.*

*Open unto me — peace for my turmoil.*

*Open unto me — joy for my sorrow.*

*Open unto me — strength for my weakness.*

*Open unto me — wisdom for my confession.*

*Open unto me — forgiveness for my sins.*

*Open unto me — love for my hates.*

*Open unto me — thy Self for my self.*

*Lord, Lord, open unto me! Amen.*

May you find God in your prayer and personal devotion every day. God waits.

With love,  
**Mindy**

## SUMMER SUNDAY SCHOOL

### Children (and youth) Sunday School

During the month of June at 9:45 in room 205 we have been meeting to watch *Zootopia* (PG), which uses animals to address some of the ways we tend to stereotype others and repeat harmful assumptions.

**During July**, we will be making paper mache animals like those featured in the movie, for some hands-on fun. If you don't mind getting your hands messy, plan to join us for five weeks of fun. *Jo Bernhardt* and *Delia Kwon* will be leading the group on July 2; *Celia Dickerson* and *Kathy Colville* will be leading on July 9. Thanks to *Katharine Whitmore*, and to these volunteer leaders.

## SUMMER OFFERINGS FOR ADULT SUNDAY SCHOOL

**Book Study** (aka Faith and Community Class): We will continue our study of Will Willimon's book, *Fear of the Other: No Fear in Love*. **Sam Miglares** and **Mindy Douglas** will lead our discussions for the next two Sundays as we juxtapose our deepest fears with our greatest hope in Jesus Christ. The class meets at 9:45, and all are invited to join us.

**Lectionary Class** (meets year-round at 9:45 in the **East Parlor**):

**July 2:** Does God ask us to do impossible things? Are we required to live a perfect life, or to give up what is most dear to us?

**July 9:** We go through our daily life, eating and drinking, working and relaxing, living alone or in families, sometimes doing good, sometimes not.... Is God involved?

**Journeys Class and the Scratch/Young Adults Class** are on summer break. We'll resume in the fall. You are encouraged to join another class that is meeting.

**Spiritual Formation** This year-round class for women is led by **Susan Dunlap** and explores the topic of spiritual formation. Join us at 9:45 in **basement classroom B-16**.

## Minute for Stewardship

Over forty years ago, First Presbyterian Church initiated an exciting innovative program now known as the **First Presbyterian Day School**. During the ensuing years, the Day School has served hundreds of children and their families, helping to prepare these youngsters for future successful experiences in other school settings.

The Day School can accommodate 64 children, with slots designated from infant ages through children who are 4 years old. Each of the five age-appropriate classrooms has a teacher and teacher assistant with special credentials and experience in working with that age group. Perhaps the most radical feature of this new program (true to this day) was the plan to create classrooms with enrollment balanced between children

whose families are able to fully pay their tuition with children and families whose tuition fees are subsidized by government agencies and funds donated by FPC and the Day School.

The First Presbyterian Day School is one of FPC's most significant missions for several reasons: 1) The Day School is the largest recipient of our church's mission funds (designated through the Service and Mission Committee), and 2) The Day School represents perhaps the greatest investment in the Durham community — both because of the large amount of FPC mission funds directed to the Day School, and because the Day School may well be our most significant investment in the future of Durham.
